Sajad Rahimi

Senior Node.js Full Stack Developer

sjd.rhm@gmail.com • +989133888033 • Isfahan, Isfahan, IR

Senior Node.js full stack developer experienced in building scalable web applications and leading teams. Skilled in Node.js, TypeScript, Express, NestJS, MongoDB, and PHP (Laravel, Slim, Symfony). Self-taught and committed to continuous learning, teamwork, and improving delivery through agile practices.

Experience

Senior Full Stack Developer & Team Lead

Jan 2020

Iranicard (Paliz Group)

Led a team of 8 developers to build Pateh, a comprehensive booking platform.

- Developed over 25 microservices and integrated more than 20 third-party APIs for flight and hotel bookings.
- Designed a high-performance flight search engine returning results in less than one second in 95% of cases.
- Built a system handling over 10,000 flight search requests per second.

Full Stack Engineer / Backend PHP Developer

Jan 2019 - Dec 2019

Amreton

Developed an internet taxi application and its backend services.

- Identified and fixed backend issues to support increased driver and customer volume.
- Expanded the platform to support taxi services, food delivery, medical assistance, and logistics.

Full-stack PHP Developer

Feb 2015 - Nov 2018

Talamala

Independently developed the Talamala platform.

- Built the website and two Android apps for users and shops.
- Developed and maintained the PHP and MySQL backend.
